Application and Acceptance of Terms

The following terms and conditions of use (these "Terms of Use") are terms of a legal agreement between you and SoftArea and govern the terms and conditions of your use of and access to SoftArea's websites and online information. By accessing, browsing and/or using this site and associated websites, online properties and links (collectively, the "Site"), you acknowledge that you have read, understood and agreed to be bound by these Terms of Use and to comply with all applicable laws and regulations, including U.S. export and re-export control laws and regulations. If you do not agree to these Terms of Use, do not use the Site.

The Site is controlled and operated by SoftArea. SoftArea makes no representation that materials in the Site are appropriate or available for use in other locations, and access to them from territories where their contents are illegal is prohibited. Those who choose to access the Site from other locations do so on their own initiative and are responsible for compliance with applicable local laws.

Areas of the Site may have different terms of use posted. If there is a conflict between the Terms of Use and terms of use posted for a specific area of the Site, the latter will have precedence with respect to your use of that area of the Site.

Terms of Purchase and Sale

These Terms of Use govern your access to and use of the Site. Additional terms and conditions may apply to your purchase and/or use of SoftArea products or services and to certain provisions or pages of the Site as noted therein. You acknowledge and agree that your rights and responsibilities will be governed by such other terms and conditions. In the event there is a conflict between these Terms of Use and the terms and conditions provided in the applicable agreement for any product or service offered through the Site, the terms of such other agreement shall govern.

License and Use Restrictions

Except as otherwise provided on the Site, all rights, title and interest (including all copyrights, trademarks and other intellectual property rights) in this Site belong to SoftArea or another party that has licensed their material to SoftArea. Except as expressly provided above, nothing on the Site shall be construed as conferring any license or right under copyright, trademark or other intellectual property rights. Subject to these Terms of Use, SoftArea grants to you a limited, nonexclusive right to access and make personal use of the Site and the materials and information contained on the Site. Except as stated herein, none of the material or information on the Site may be modified, altered, copied, reproduced, distributed, republished, downloaded, displayed, posted or transmitted in any form or by any means, including, but not limited to, electronic, mechanical, photocopying, recording, or otherwise, without the prior written permission of SoftArea or the copyright owner. You may not use the Site or any of the material or information contained on the Site for any unlawful purpose or any purpose prohibited by these Terms of Use, nor may you use the Site to solicit any illegal activity or any activity that may infringe upon the rights of others. You also may not, without SoftArea's permission, "mirror" any material contained on the Site on any other server. Any unauthorized use of any material contained on the Site may violate copyright laws, trademark laws, the laws of privacy and publicity, and communications regulations and

Subject to these Terms of Use, you may copy, distribute and download the materials on the Site for personal, noncommercial use only, provided you do not modify the materials and that you retain all copyright and other proprietary notices contained in the materials. This permission terminates automatically if you breach any of these terms or conditions. Upon termination, you must immediately destroy any downloaded and printed materials.
